

**PAPER** because

hitting print can feel really good.

After working for days, weeks or even months on an assignment, it all culminates in one single moment. If it were a movie, it'd be the climax. If it were a song, it'd be the crescendo. It's the punctuation to your hard work. And it deserves to be on paper — Domtar paper. Learn more at [PAPERbecause.com](http://PAPERbecause.com).
